Subject: Flower St. Encampments

Hi Brian,

We had couple constituents complaints about encampments along the freeway on Flower St. This particular one come via social media to Erica.

Sally and myself spoke to constituent and she provided us with the following information:

415 W. 53rd St. Los Angeles, CA 90037 Constituent Heather Carpio expressed concerns with the last encampments affecting the residential area.

Re: Flower St. Encampments

- No street lights - Homeless folks have broken the lights and access power boxes.
- The Stops signs are being blocked
- Parking is being obstructed
- Defecation
- Encampments continue to move from Grand Ave. to Flower St. when there's a clean up.

Please let me know is this can be address under UHRC or what would the next steps be.

Thanks,
